The Little Red Schoolhouse Committee (LRSH) is sponsoring a four-week tennis clinic for **4th-6th sixth grade students**. Beginner and intermediate students are welcome. The clinic will be conducted by Drew Laverty, a Kingsway High School history teacher and head coach of the Kingsway boy's tennis team.

Each student must provide:

- **Tennis racquet;** tennis balls will be provided
- Students will also need **bottled water.**

Parents must provide transportation or otherwise make arrangements to get their child to the courts on **HARMONY RD in Mickleton** (across from the Little Red Schoolhouse).

The 4-week clinic is on Tuesdays, starting **May 31, 2022**. There are two 55 minute session times each week: 3:45-4:45 PM and 4:45-5:45 PM. We will try to break up the sessions based on ability with the earlier one set more for beginners. There is one make up rain date (TBD).

Return your registration form and fee to Ginny Newkirk, 17 Clover Ridge Dr., Mickleton, NJ 08056. The number of registrants is limited, so reserve early.
